5th-8th Grade Teacher Workshop
SJC Central Campus

WATER-BOTS

Fun, Robots, and 12 Professional Development Contact Hours!

Cost
$150

Date
Saturday
October 6 and 13, 2012

Time
8 am – 3 pm

The Aerospace Academy - San Jacinto College (SJC) offers a two part underwater robotics workshop including: 12 professional development contact hours, hands on soldering and robotics instruction, and the ability to take back to your classroom the electronics that you create during the workshop. The curriculum will align with science and math TEKS.

For more information or registration contact Bridget Kramer or go to: www.aerospace-academy.org
