

Articulation Agreement between San Jacinto Community College District and Texas Southern University

San Jacinto Community College District (SJCCD) and Texas Southern University (TSU), have developed this Articulation Agreement (Agreement) to support student achievement of educational and career goals. The Agreement represents an active educational partnership committed to student success and degree completion.

This Agreement provides for the seamless transfer of credit from SJCCD to TSU (articulation) and from TSU to SJCCD (reverse articulation). This Agreement also defines parameters by which SJCCD and TSU may mutually consent to program or degree specific articulation plans to be covered and enforced by the scope of this Agreement.

SJCCD is authorized to offer instructional programs leading to various associate degrees and to confer the appropriate associate degree on students successfully completing such programs. All such programs are registered with the Texas Higher Education Coordinating Board. SJCCD is regionally accredited by and is a member of the Southern Association of Colleges and Schools (SACS). The SJCCD has its principle place of business at 4624 Fairmont Parkway, Pasadena, Texas 77504.

TSU is authorized to offer instructional programs leading to various baccalaureate degrees and to confer the appropriate baccalaureate degree on students successfully completing such programs. TSU is regionally accredited by and is a member of the Southern Association of Colleges and Schools (SACS). The TSU has its principle place of business at 3100 Cleburne, Houston, Texas 77004.

Articulation of Credit

Students may apply for admission to TSU at any time during their enrollment at SJCCD; the TSU application and admission fee will be waived for students transferring under this Agreement.

SJCCD students must meet all TSU requirements and deadlines pertaining to application for admission, orientation and registration, and payments of tuition and fees, other than application and admission fees. SJCCD students seeking transfer to TSU shall abide by the policies and procedures in effect at the time of their application to TSU, that apply to all students of and/or applicants to TSU.

SJCCD students earning an Associate of Arts, an Associate of Science, or an Associate of Arts in Teaching with a cumulative GPA of 2.5 or greater and transferring under this Agreement will be guaranteed admission to TSU under this Agreement. A maximum of 66 semester credit hours earned at SJCD with a grade of C or better will be accepted and applied to a designated/appropriate TSU degree plan.

SJCD students earning an Associate of Applied Science degree and who have completed all requirements of the SJCCD core curriculum with a cumulative GPA of 2.5 or greater will be guaranteed admission to TSU under this Agreement. A maximum of 89 semester credit hours earned at SJCCD with a grade of C or better will be accepted

and credited toward a designated/appropriate applied bachelor's degree plan at TSU. Of the maximum 89 semester credit hours to be accepted by TSU, 42 semester credit hours must satisfy SJCCD core curriculum requirements; the remaining 47 semester credit hours may include courses identified by the Texas Higher Education Coordinating Board's Lower Division Academic Course Guide Manual (ACGM) and/or Workforce Education Course Manual (WECM).

All successfully completed, with a grade of C or better, lower-division academic courses offered by SJCCD, identified by the Texas Common Course Numbering System (TCCNS), and published in the Lower Division Academic Course Guide Manual (ACGM) shall be fully transferable to TSU and be substituted for the equivalent course at TSU.

Unless otherwise specified by an articulation plan approved under this Agreement, SJCCD students may be required to apply and be admitted separately to specific colleges or programs within TSU and be subject to all requirements and limitations of admission procedures to said programs including higher GPA requirement and/or additional specific courses as stated in the course catalog in effect at the time of enrollment at TSU. TSU shall not place requirements on SJCCD students transferring under this Agreement that are not required of its native students.

SJCCD and TSU will work together to provide students with accurate and timely transfer information and academic advising relative to a designated/appropriate TSU degree program. TSU will provide appropriate brochures and informational material to SJCCD and its students. TSU shall provide support services appropriate to meet the needs of SJCCD transfer students, including an orientation program similar to that which is provided to TSU native students and shall finalize an approved degree plan prior to completion of the SJCCD student's second semester of study at TSU.

Reverse Articulation of Credit

The purpose of Reverse Articulation of Credit is to serve SJCCD students who transfer to TSU prior to earning an associate's degree from SJCCD. Reverse articulation of credit permits eligible and interested students to transfer certain course work from TSU to SJCCD to complete requirements for an associate's degree.

For students who transfer from SJCCD to TSU prior to earning an associate's degree, all successfully completed lower-division academic courses offered by SJCCD, identified by the Texas Common Course Numbering System (TCCNS), and published in the Lower Division Academic Course Guide Manual (ACGM) shall be fully transferable to TSU and be substituted for an equivalent course.

At the time of student application to TSU, TSU will notify students of the purpose of this Agreement and the reverse articulation of credit, will ask students to indicate their interest in the reverse articulation of credit to SJCCD, and will notify students of the likelihood that TSU will share transcript information with SJCCD.

Each September or at other appropriate intervals agreed upon by the parties, TSU will review its student records and determine which students are eligible for the reverse articulation of credit by applying the following criteria: (i) the TSU student previously transferred coursework from SJCCD, (ii) the student has indicated an interest in reverse articulation of credit and (iii) the student completed necessary credit hours at SJCCD to satisfy the SJCCD residency requirement. TSU will securely

transmit official paper or electronic copies of these students' transcripts to SJCCD.

Upon receipt of TSU transcript information, SJCCD will conduct a degree audit of each eligible student and evaluate all coursework that may apply to the completion of the student's associate degree at SJCCD. Students who meet all SJCCD degree requirements are eligible to receive an SJCCD degree at no additional cost to the student. SJCCD will notify each student that he or she is eligible to receive an associate's degree and eligible to participate in SJCCD's graduation ceremony.

Separate academic records for students will be maintained at each institution. Authorized employees of SJCCD and TSU will have access to personally identifiable information about the students who receive or who are eligible for reverse articulation of credit. SJCCD and TSU will ensure their institutional compliance with FERPA regulations.

Articulation Plans

This Agreement establishes general articulation and reverse articulation of credit. Successful transfer and degree completion requires the mapping of credits from specific SJCCD associate's degree programs to specific TSU bachelor's degree programs. Educational planners and advisers at SJCCD and TSU rely on two types of documents to facilitate and support transfer and articulation of credit from SJCCD to TSU: transfer plans and articulation plans.

Transfer plans are documents that describe the articulation of credit granted to any student from any institution when transferring to TSU. The transfer plans between SJCCD and TSU clarify how SJCCD credits transfer to TSU based on existing program and degree requirements and state regulations. Transfer plans are developed as a matter of supporting student advising; they do not require formal recognition under this Agreement.

Articulation plans are also transfer plans, but they are more formal and may identify specific admission conditions to be accepted into a program or degree plan at TSU and may describe articulation of credit not guaranteed by transfer plans or state regulations. Articulation plans are developed specifically and uniquely to articulate credit from SJCCD to TSU; articulation plans developed in accordance with this Agreement are guaranteed by this mutual Agreement between the two institutions.

Pursuant to and in support of this Agreement, individual articulation plans may be established that specify which requirements of specific TSU degree plans are satisfied by specific SJCCD courses and credits.

To establish an articulation plan under the legal scope of this Agreement, SJCCD and TSU shall:

- Describe, where appropriate, any application and admission requirements specific to the TSU degree plan to which the SJCCD student plans to transfer.
- Indicate an effective start date and end date for the articulation plan.
- List all course requirements for the TSU degree plan and indicate which SJCCD courses shall satisfy each requirement. Individual courses required as part of the TSU and SJCCD core curriculum shall not be listed; that group of courses shall be noted by a single heading of *Core Curriculum*. It is understood by both parties to this Agreement that those institutions of higher education, as defined by Section 61.003

of the Texas Education Code, which are subject to the jurisdiction of the Texas Higher Education Coordinating Board are required to accept for transfer all courses within the approved core curriculum of any fellow institution of higher education. Pursuant to the terms of this Agreement, SJCCD and TSU further agree that, in the event that TSU is not an institution of higher education subject to the jurisdiction of the Texas Higher Education Coordinating Board, SJCCD and TSU shall also accept for transfer the core curriculum adopted by the parties to this Agreement.

- Conduct a review of all aforementioned details. Reviewers shall include: an instructional administrator with responsibility for the relevant degree program; an educational planner or advisor or enrollment management administrator; and an administrator responsible for managing this articulation Agreement.
- Reviewers shall indicate by paper or electronic signature their approval of the articulation plan.

Articulation plans created under the terms of this Agreement are hereby incorporated into this Agreement by reference and shall be governed by the provisions contained herein. Individual articulation plans may be independently terminated in accordance with the procedures set forth in this Agreement. However, the expiration or termination of any individual articulation plan shall not affect the status of this Agreement or any other individual articulation plans established under this Agreement.

If an articulation plan expires or is terminated for any reason while SJCCD students are enrolled at TSU and pursuing a degree under that articulation plan, TSU must allow students to pursue the degree under the agreed upon articulation plan as long as the student is enrolled continuously at least part-time through Fall and Spring semesters.

General

Term. This Agreement is for a period of five (5) years from the last date that it is signed by the authorized representatives of both institutions. This Agreement shall automatically renew for one (1) year terms unless terminated pursuant to the provisions set forth herein.

Voluntary Termination. Either party may terminate the Agreement without cause upon 90 days written notice to the other party. Notwithstanding the foregoing, either party may terminate the Agreement immediately in the event that participation under the Agreement may give rise to a violation of any requirement of federal or state law or regulation or the requirements of any accrediting agency having jurisdiction. Should this Agreement be terminated, SJCCD students in the process of applying to TSU at the time of termination shall be allowed to complete the application process and complete degrees under the terms of this Agreement.

Accreditation. This Agreement is effective only as long as both SJCCD and TSU maintain current accreditation by a regional accrediting association as recognized by the U.S. Department of Education. In the event that either party loses accreditation, this Agreement shall terminate immediately.

Phase-Out. In the event this Agreement is terminated, SJCCD and TSU will continue to provide support and services to students transferring under this Agreement as long as students are enrolled continuously at least part-time through Fall and Spring Semesters.

Agreement Status & Review. The respective designees at both SJCCD and TSU will monitor and report on the status and impact of this Agreement. As long as this Agreement is in effect, the Agreement and any subsequent articulation plans should be reviewed annually or bi-annually and revised or amended as necessary.

FERPA Regulations. SJCCD and TSU agree to comply with the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S.C §1232g; 34 CFR Part 99) and its associated regulations, taking steps to ensure that confidential information is not disclosed or distributed in a manner inconsistent therewith. This provision shall survive termination or expiration of this Agreement.

Entire Agreement. This Agreement embodies the entire agreement and understanding between the parties and supersedes all prior agreements, whether oral or written between the parties relating to the subject matter hereof.

Modifications or Amendments. This Agreement may not be amended or modified except by a written instrument executed by both parties. SJCD and TSU agree to mutual notification of changes and additions to the curriculum and curriculum standards, so that articulation plans may be revised as necessary. Proposed changes in policies or curriculum by either party must be communicated in writing to the other party and agreed upon in consultation with officials of each institution. Any changes agreed upon must be signed by both parties, dated, and attached to this Agreement.
